

AMERICAN NATIONAL BANK EL PASO, TEXAS

Profitable Returns

While it is well to consider the profit accruing from an investment yet it is wiser to first consider the source of security.

A Certificate of Deposit issued by the American National Bank affords you security for your funds, as well as a fair return in interest.

4 Per Cent Interest Paid on Certificates of Deposit

Capital and Surplus \$240,000.00
NOW BEING INCREASED TO \$360,000.

STREET RAILWAY COMPANY EXTENDS LINE AT BISBEE.

Road Supervisor Announces Proposed Improvement of Mountain Roads. Many Foreigners in District.

Bisbee, Ariz., May 9.—The city council has accepted the offer of the Warren-Bisbee Railway company to extend the street car line up to the canyon limit. Work for the track will be started immediately.

E. J. Stovall, of Albuquerque, N. M., who is charged with creating a disturbance at the Y. M. C. A., was arrested. He became violent while in jail and continually asks help, fearing that someone wants to murder him.

The board of education has postponed the nomination of new school teachers until the end of the school term.

Supervisor Sam Elder of the county roads was in Bisbee, and states that work is proceeding to repair the mountain roads, but that no new roads will be constructed at present.

Prof. G. Buck, a cavalryman during the civil war, and at present the Spanish teacher at the Y. M. C. A., is to open a night class.

According to a statement of interpreter Gregovich, about 2000 foreigners, comprising 1700 Greeks, 25 Italians and French, and about 75 Russians, are here.

A band stand will be built at the Warren ball park for the Calumet & Arizona band.

Mr. and Mrs. Barrabos have gone to New York, from where they will sail for an extended trip throughout Europe.

E. Black has left for Prescott, Ariz., to take care of his interests in mining proposition, having been informed that his partner was murdered.

W. R. Rank has left for Nova Scotia, where he will be married. He will return here with his bride.

J. C. Loomis has left for Lomita, California, where he has bought a ranch.

COMPANY EXPERIMENTING WITH GARDEN TRUCK PATCH

Alpine Minstrel Club Visits Marfa. Dance Follows; New Homes Nearing Completion; General News Notes.

Marfa, Tex., May 9.—The Marfa Power & Electric Light company, is experimenting with an acre garden which is being irrigated from a deep well at the power house. R. A. Kyle, manager, has

charge of the work and reports the acreage in fine condition.

J. W. Jackson, of Childress, Texas, has been here.

Pierre Guyon has gone to Uvalde, Texas, for a visit.

Born to Dr. and Mrs. S. J. Henley, a son.

Mrs. J. S. Tom, accompanied by her daughter, Miss Vesta, of Leakey, Texas, is visiting her daughter, Mrs. J. W. Howell.

P. D. Anderson, census enumerator, has returned from the Rio Grande country.

The Alpine Minstrel club was accorded a large crowd at the Marfa opera house, after which the Alpine visitors were entertained with a dance.

A. Cockrill, of El Paso, has been in Marfa.

Jacob Baldwin has returned from Houston and other eastern points.

Two of the largest modern residences under construction in Marfa, for Jas. Norm and Geo. Crosson, are nearing completion.

Rev. Mr. Allen, of Marfa, held services in the Methodist church at Ft. Davis, Sunday.

Mr. and Mrs. A. A. Ray are here from the Cartwright ranch, guests at the St. George.

Miss Hughes, a teacher from near Alamito, is spending her vacation in Marfa.

Mr. and Mrs. T. C. Crosson are here from their ranch for a visit.

The Marfa Manufacturing company has just completed and installed a steam vulcanizer to be used for repairs on auto wheels.

OLD CITIZEN DIES; DIAZ NEWS NOTES.

Colonias Diaz, May 9.—E. C. Jorgensen died on his 50th birthday. He was a member of the committee for old folks party of the state, instructor in the parents class in Sunday school, and leaves a wife and a large family of children to mourn his loss.

Garden stuff is ready for use but the ground is very dry, and prospect for fruit are poor.

A. E. and Gordon Johnson have gone to Dog Springs to repair buildings there.

Farmers are plowing wheat fields and preparing the ground for corn. James Gale has taken his family to Monument ranch to live. Jesse Richins has returned here.

DISTILLERY AND MILL FOR DUBLAN

Henning Appointed Archeologist in Mexico City. Mormon Colony Notes.

Colonias Dublin, May 9.—Cave Valley is to have a distillery and a saw mill. Considerable of the machinery is on the grounds ready to be placed in position. The same force will run the two mills.

Dublin people who have gone to Tucson, Ariz., are doing well. They are getting their lands in shape and paying for the tracts. Water is getting a little low, but they have a large acreage of early crops, and water conditions will be relieved. They have a fine crop of potatoes, and ten acres of cantaloupes and watermelons.

Paul Henning has been appointed to the position of head archeologist in the City of Mexico. He has the museum and fifteen men to manage. The examination for the position was very rigid, but Mr. Henning speaks Spanish, English, German and French with equal fluency. He has made a great study of the Book of Mormonism.

There is a great deal of sickness in Colonia Pacheco among the children. Two of the Lunt boys had to leave their work at Cave Valley because they are sick.

Mrs. Hulsh and son, Elbert, have been trading in El Paso.

Frank Jones and family have returned from Utah, where they went two years ago, but they have never been satisfied. They like Mexico much better than any place they have ever lived.

PLATEAU AGAINST DIVISION
OF COUNTY DRILLS FOR WATER

City Also Secures Telephone System; Townsite Companies Propose Opening Day; Personal News Notes.

Plateau, Texas, May 9.—There is much agitation over the petition to be presented to the legislature in January asking for the division of El Paso county. Plateau people almost as a unit, are strongly opposed to the division at the present time, as the burden of taxation would be too great for so limited a number of people.

J. R. Day, president of the Plateau Valley Townsite company, is clearing the townsite and marking off lots.

Geasling & Hart's well drilling rig is on the ground and will at once begin on the public well.

Both townsite companies will hold a joint opening in the near future.

This contract has been let for installing a telephone system in Plateau.

Mrs. W. S. Ledbetter has returned from a trip to Fort Worth and Cameron, Texas.

J. H. Feeby and son Clyde have returned from Toyahvale, Texas.

J. R. Bowley, of Toyah, has been visiting his family here.

J. T. Leavell, of Van Horn, is the guest of his brother, S. H. Leavell.

Mrs. W. H. Akard, of Dublin, is the guest of her son, Harry, and wife, at the Diamond C ranch.

CONTRACT LET FOR FORT STOCKTON BAPTIST CHURCH

Pecos County Sheriff Sells Land for Taxes; Vineyard Company Sets 300 Acres of Vines; Building Notes.

Fort Stockton, Texas, May 9.—W. C. Jackson, J. E. Cope and J. T. Moore, the building committee, has let the contract to J. N. Morton, of Abilene, for the construction of the First Baptist church building to be 24x50 with a raised floor.

J. E. Cope has purchased one of the old fort houses formerly occupied by S. D. Brannon, and will move his family there from the country. Mr. Cope sold his farm to R. Q. Astin, of Bryan.

The Fort Stockton Irrigated Vineyard company has been preparing to set California grapes over 300 acres of land.

Mr. Westerman, of Pecos City, who has the contract for the erection of the bank building for the First National bank of Fort Stockton, has arrived to begin work.

J. E. Davenport has sold to R. Q. Astin, of Bryan, his residence and two lots on Stockton street for \$2000.

Mrs. Langsdon, of Cleco, Texas, has purchased three business lots on Stockton street for \$1500.

Marsh Lea has let the contract for a four room cottage on Division avenue. It will be occupied by J. L. Searcy. Mr. Lea, has just completed a residence on the corner of Third street and Division avenue.

SANTA FE BUYS SWEETWATER LAND; CREAMERY OPERATES

Lumber and Transfer Companies Change Owners; Newspapers Install Linotype Machines; News Notes.

Sweetwater, Texas, May 9.—The Santa Fe Railway company has purchased the Sweetwater town of land, north of the city, for \$75 per acre. The company has also purchased the Dulany section, adjoining the city limits, paying \$100 per acre.

The Sweetwater Creamery and Ice Cream factory is now in operation.

G. E. Ramsey has sold his lumber business to William Carleton & Co., of Waco.

The Higginbotham-Harris Lumber company has built an office in their building.

W. W. Gibson has purchased the transfer business formerly owned by Jeff Couch and will conduct it as the Sweetwater Transfer company.

The Sweetwater Reporter and Signal have both installed Linotype machines.

The Union Woolen Mills company has secured room in the S. D. Myers building. M. J. Morrison of Roby, will have charge of the business.

Ed Landvolts, editor of the Forest City, Ark., Times, is here visiting.

MONTEREY AND TULAROSA PLAN JULY 4 CELEBRATION.

Monterey, N. M., May 9.—The business men of Tularosa and Monterey have made arrangements for a 4th of July celebration. George Curry was elected chairman of the general arrangement committee, and James Anderson secretary. Financial committee is composed of J. W. Prude, R. B. Benefields and Joe Conrath.

Arthur Chalk has returned from Mountainview, Okla., where he has been visiting with his parents.

Mr. and Mrs. K. Halden and son have returned from Las Cruces, where they have been visiting with friends.

J. W. Prude and family have moved into their new home.

I. O. Wetmore has returned from a business trip to Carlsboro.

"Bud" Nelson has returned to the Carr ranch.

Hiram Graham has arrived from Cloudcroft, N. M., to visit with his parents.

Mr. and Mrs. C. Graham have returned from Palomas, hot springs.

FIRES IN MOUNTAINS.

Dublin, Mex., May 9.—Forest fires are raging in the hills south of town. Forest fires have been on three sides of the town already this spring.

The eighth grade students are preparing a program for their class party at Jones'.

A second grade party will be given at the home of professor Carson by the class of 1908.

PEARSON SETTLES SUIT WITH HEARST

Acquires 70,000 Acres of Land; Activities at New Pearson Mill.

Chihuahua, Mex., May 9.—The Madera Company, Ltd., the lumber corporation of the Mexico-Northwestern railway company, has settled the dispute with the Hearst estate as to boundaries between their respective land tracts. The result is the commencement of delayed improvements at Madera in the shape of a new office and store buildings and the piping of water into the town. It is understood that the Madera company has also bought about 70,000 acres of timber land from the Hearst estate.

The Madera company has just established a new store at Pearson, where work has been commenced on a new saw mill, which is to have a capacity of 250,000 feet of lumber daily. About 100 carpenters are at work at Pearson, which will be the company's second lumber center. It is about nine miles southward from Terrazas, on the Mexico-Northwestern's present line, and will be the point where the timber on a tract acquired from Gen. Luis Terrazas and a part of the timber from what is known as the Murphy tract of 500,000 acres, will be sawed into lumber.

Chronicles of the Grouch Family

4. This is her mother, precise and prim—
Thought her daughter was far too good for him.

Couldn't be much worse, could it?
But just wait.

COMMENCEMENT EXERCISES CLOSE ALPINE SCHOOLS

Exercises Planned for Entire Week; the Graduating Class Has Fifteen Members; Rain Falls Water Holes.

Alpine, Texas, May 9.—The closing exercises for the Alpine schools commenced with the graduating sermon by Rev. J. C. Francis, pastor of the Christian church. The services were held in the Methodist church. On Monday night a public debate is scheduled for four of the high school students on: "Resolved, That education should be compulsory in Texas." A gold medal will be presented to the best debator. Tuesday night will be given over to the literary society and the best essayist is to receive a gold medal. Wednesday will be small children's exercises. Thursday the high school students will present the play, "Breedy Point." Friday night the graduating exercises will be held. There are 15 graduates this year.

J. B. Irving has returned from old Mexico and El Paso where he has been receiving 700 head of Mexican steers. He shipped them to Alpine and has driven them to his ranch for pasturage. Mr. Irving reports fine rains on his ranch.

Lawrence Haley, who is in from his ranch 20 miles southeast of Alpine, reports his country still dry.

Jacob Baldwin who recently applied for school land in the Mitchell pasture near Marfa, has become involved in a suit. He has been forced to stay on the land.

W. T. Henderson has gone to Venice, California, where he spent last summer and where his wife and children are located. He has part of his steers sold and turned the remainder loose.

C. F. Kimball, who was in from his ranch northeast of Alpine states the creek through his place had running water and that the rain filled his tanks and had replenished the supply in his well.

Miss Addie Ferguson entertained the graduating class.

STATE ACADEMY CLOSES; WOMEN GIVE DINNER.

Colonias Juarez, Mex., May 9.—A program is being prepared for the commencement exercises of the Juarez Stake school. The classes will give their exercises in the morning and the athletic club is also preparing entertainments.

David and Ernest Haws have gone to Arizona, where their relatives are living.

Born to Mr. and Mrs. Ernest Turley, a baby boy.

The women of the Domestic Science department of the academy are preparing a spread for the Alumni reunion. They served lunch to the board of directors of the school.

A ball was given in the academy hall.

METCALFE NEWS.

Metcalfe, Ariz., May 9.—R. P. Tanner, Fred Percell and Mr. and Mrs. Saunders have returned to Clifton after a visit here.

There is no Other Vanilla

Extract made that can compare in any way with the rich, satisfying strength and the delicious delicate flavor of

BURNETT'S VANILLA

This is not merely an advertising boast. It is an absolutely true statement which is just one trial of Burnett's Vanilla will prove.

Your grocer can supply you with the best vanilla made—insist on getting it.

Burnett's Vanilla

Delicacy, Palatability and Nourishment

DR. PRICE'S ALGRAIN

The food to secure the best results as it possesses the three most important qualifications, viz:—Delicacy, palatability and nourishment. By the blending of WHEAT, OATS, RICE, and BARLEY, these three qualities are combined in a most admirable manner. Prepared as directed, you will have a food that you can eat with relish. Might be called the Vegetable Phosphorus for elderly people. Ask your Grocer.
